There is much to love about this brick home in popular South set behind a secure fence and offering a top location close to schools, Tamworth St & Boundary Road shops, parks plus popular cafe.

Perfect as a first home or low maintenance investment property, new flooring compliment the renovated bathroom, modern kitchen and recently updated ducted reverse cycle a/c. With a great open plan living room plus a separate sunroom there is space for the whole family. A front and back patio are ideal for a morning coffee or afternoon beer.

A major drawcard is the handy garage with internal access making it easy to unload the car when coming home.
